Application deadline: 30 November 2021

ARTIST IN RESIDENCE MUNICH is pleased to announce this opportunity for an artist from Sapporo as part of the 50th anniversary of the Munich-Sapporo city partnership and the 50th anniversary of the XX. Olympic Games Munich 1972. The chosen artist will spend 3 months in the Villa Waldberta and take part at the Festival of Play, Sport and Art around Lake Olympia from 1 to 9 July 2022. During the residency, the artist will have time and space to work on the different topics of the anniversary and to develop a temporary, site-specific artistic project for the festival.

Background information on the anniversary programme of the City of Munich

The city partnership between Munich and Sapporo is closely linked to the 1972 Olympic Games (Summer Olympics in Munich and Winter Olympics in Sapporo). Mayor Georg Kronawitter and his Japanese colleague Takeshi Itagaki signed the official partnership document in the 1972 Olympic year.

2022 marks the 50th anniversary of the Games. With a diverse programme, the City of Munich brings the democratic, comprehensive and visionary approach into the present and looks to the future. Throughout the year, there will be exhibitions and events on the topics of sport, culture, design, architecture, the culture of remembrance and interaction in democracy- in both real and digital public spaces.

From 1 to 9 July 2022, the Olympic Park will host a Festival of Play, Sport and Art with an opening ceremony, a grand parade, the Munich Sports Games, participatory projects in the neighborhoods around the Olympic Park and time-based performances and installations by contemporary artists of all disciplines.

The motto of the programme "Munich on the Way to the Future 1972-2022-2072" indicates that in the anniversary year, both the visionary approaches of 1972 will be reflected upon and set in relation to the present, as well as possible future scenarios will be envisioned

The Cultural Department is in charge of the Festival of Play, Sport and Art and its components, and is also responsible for its implementation and realisation with the support of the Fa-Ro Marketing agency as general contractor

Villa Waldberta

Villa Waldberta is located on a beautiful site overlooking Lake Starnberg and with a view of the Alps; the villa has five apartments for international guest artists.
